

Report to Homeowners

Two issues have come to the attention of the Board that we feel need to be brought to the attention of all homeowners.

- 1) There has been some defacing of the new swings with derogatory remarks. This is not acceptable behavior and we felt this important enough to let everyone know, that should this continue to happen, the swings will have to be removed. We hope that all parents will discuss this with their children, noting that the play area is for everyone's use and we hope that we can continue to enjoy it for the foreseeable future.
- 2) We have had several complaints of speeding throughout the neighborhood. There was even a report that cars were trying to pass one another. School will be out very soon for the summer and with children and many dog-walkers, we wouldn't want any misfortune because of speeding or reckless behavior. Please watch your speed upon entering the development so that all can enjoy this summer season.

Thank you for your attention to these two very important issues. Lets have a great warm weather season.
